

5. Wall & Rail equipment

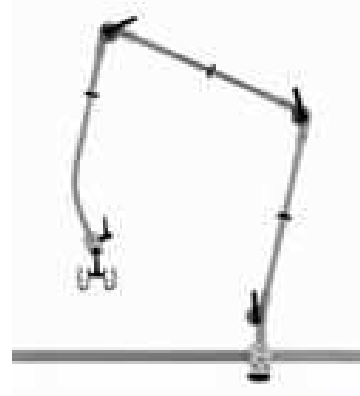

Rail 25 x 10 + wall fixations

1010157 Rail clamp

1010008 Articulated arm, rail clamp, 2 joints, last part flexible

1010009 Articulated arm with three joints and twin tube holder

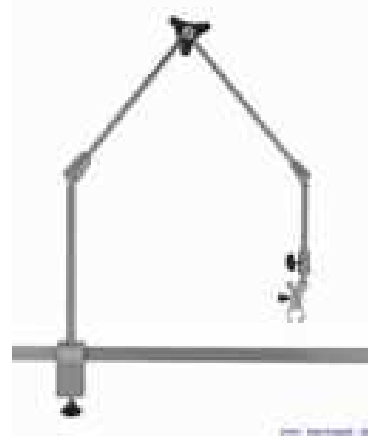

1010200 Tube holder for operating tables

1010206 Flexible arm with twin tube holder

1010331 Cardiology arm with cable support

1010963 Respiratory arm with tube holder

1010883 Clips for 5 mm oxygen tubing, for 13 mm arms

1010884 Clips for 5 mm oxygen tubing, for 16 mm arms

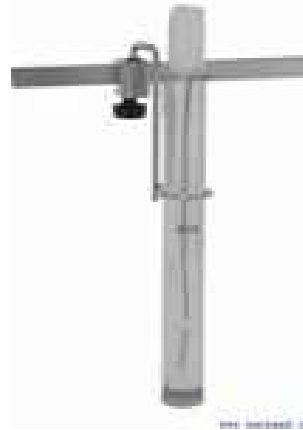

1010876 Lever with nut

1010890 Double tube holder

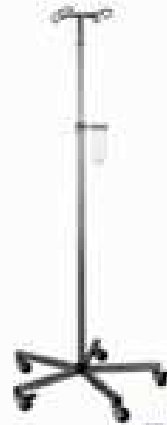

1010879 Part of arm with two joints for 13 mm arms

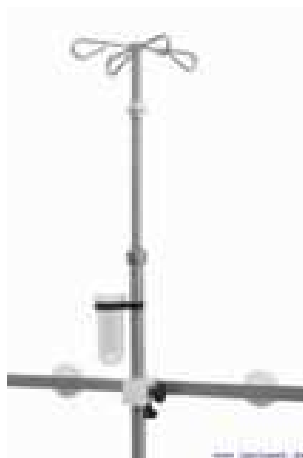

1010035 Catheter container with rail clamp

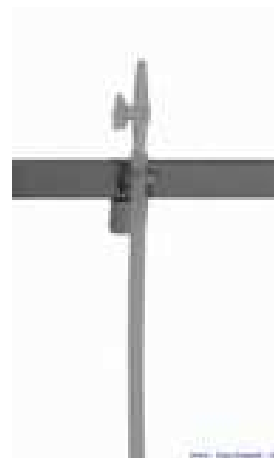

1010990 Catheter container

1010652 Mobile infusion stand (stainless steel), 50 mm castors

1010067 Infusion stand, safety release system

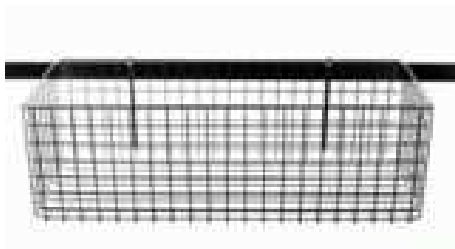

1010075 Tube holder

1010021 Stainless steel basket with two hooks

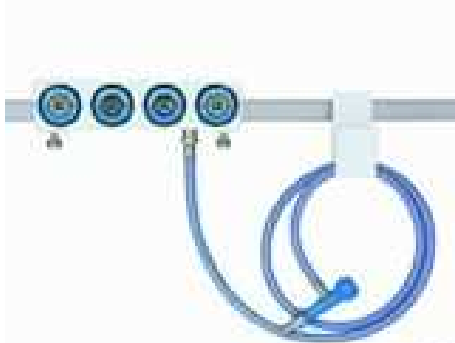

Figuur 11010958 Gloves holder

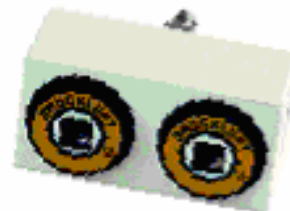

1010077 Stainless steel basket with two hooks

1010124, 1010123, 1010233 Baskets for rail

1010132 Distributor with rail clamp, oxygen, 4 outlets

1010127 Gas distributor (O2, Air, Vacuum)

1010487 Distributor direct Y, oxygen, 2 outlets

1010797 Coupling for medical gases, oxygen

1010316 Mobile carrier made of stainless steel

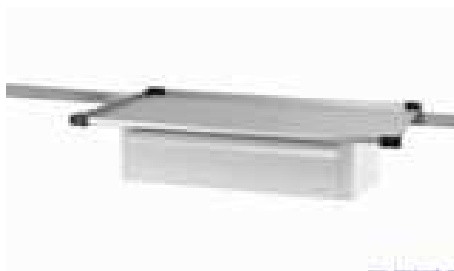

10563 Mobile carrier for 10-11 Ltr. oxygen container, hospital type

1010333 Lamp with universal rail clamp

1010868 Carrier for oxygen container

1010491 Monitor support with drawer 540x460 mm

1010544 Monitor carrier with wall support 300x250 mm

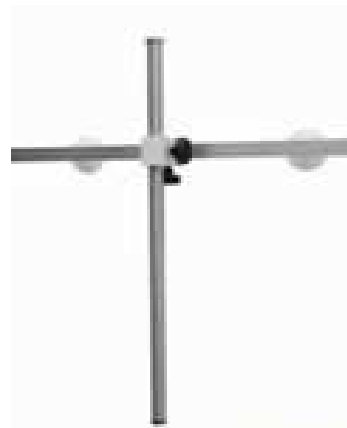

1010683 Clamp

1010708 Compact wall rail clamp

1010764 Clamp for 25 mm infusion stands

1010783 Infusion pump holder

1030027 Wall rail, 80 mm

1030083 Lamp with wall rail clamp

1030609 Air-motor probe

1030610 Narcotic gas exhaust probe, 45°

1030708 Monitor support with drawer and additional tray, 540x 460 mm

1030766 Mobile infusion stand, 100 mm castors

1030916 Monitor support, VESA 75 x 75

1030924 Monitor support with keyboard and mouse support

1040055 Low vacuum injector with tubing connector

1030093 Vacuum regulator with tubing connector
